CONFIDENTIAL INTELLECTUAL PROPERTY AGREEMENT

1. Governing Jurisdiction: This agreement is governed by the laws of the State of Delaware.

2. Liquidated Damages Clause: Any unauthorized leak of the proprietary BM25 retrieval code carries an immediate liquidated statutory damage assessment of $500,000 USD.

3. Trade Secret Classification: In-memory token hashing and sentence splitting algorithms are classified as Level-5 Proprietary Trade Secrets under Section 14B.

4. Forensic Audits: The Company reserves the unilateral right to conduct unannounced forensic workstation inspections with exactly 48 hours written notice.

5. Term of Obligation: Confidentiality covenants remain in effect for seven consecutive years.
